

Request Ref: 1102A/21**1. Please state the total amount of overtime pay that was paid out by your force to its police officers for the financial year (a) 2019/20 and (b) 2020/21.**

The overtime quoted below that was paid out by the force to its police officers is the balance on the general ledger and therefore includes accruals and any other journal adjustments.

a) 2019-20 Total overtime £20,146,261.60 this is broken down as £16,228,949.83 basic overtime and £3,917,311.77 public holiday overtime.

b) 2020-21 Total overtime £19,416,135.58 this is broken down as £15,100,194.79 basic overtime and £4,405,940.69 public holiday overtime.

**2. Please state the total amount of overtime pay received in the last financial year (20/21) for the officer who received the most in overtime pay. Please state if the officer was a constable or a sergeant and in which department they worked.**

**(Note the answer should give the rank of the officer (constable) and just his/her total annual overtime pay remembering to EXCLUDE other types of pay)**

The total amount of overtime received was £65,244.66. Please note that the payment quoted above is what has been paid to the officer in the months April – March but the overtime itself is paid a month in arrears. For simplicity we have excluded any accruals that may have been processed.

Rank: Constable  
Department: Force CID
