

1) How many of your police officers were assaulted on duty between March 23, 2020 - June 1, 2021?

I would like a total figure for the 436-day period.

1365 officers were injured on duty

2) How many working days were lost because of injuries sustained.

The incidents within this period resulted in a total of 848 days being lost (including rest days)

NB The data provided for this request is recorded by our Health and Safety department
