

REQUEST**1. How many missing persons cases have been filed (from Jan 2016-June 2021) in your police department?**

Missing records - 52,498

Found records - 51, 151

The data is from dates 01/01/2016 - 30/06/2021. The figures relate to missing records/reports (not individuals) as one person can be reported numerous times.

The difference of 1,347 are either still open, inactive, transferred or closed as they do not meet the definition of missing.

1i. within this, could you split it up by ethnicity (specifically how many are Caucasian, Asian and Black)?

Found records 51,151

Asian 5,912

Black 10,455

Chinese, Japanese, South East Asian 206

Middle Eastern 807

Unknown 55

White North European 31,163

White South European 1,309

The difference in the data occurs as this field, within the system is not a mandatory field therefore can be left blank rather than selecting unknown.

1ii. could you also split the data up by gender (but I would like to know how many are Black males, white females, etc.)?

Asian - Male 3,200, Female 2,704, Transgender 8, Unknown 0
