

1. From March 2020 - current date, how many stalking offences have been registered in the United Kingdom?

9326 stalking offences in WMP (this does not include harassment/malicious communications/coercive controlling behaviours data)

2. How many Stalking Protection Orders under the Stalking Protection Act 2019 have been granted from March 2020 - current date?

5 interim orders since March 2020

4 Full orders since March 2020

9 SPO's in total since March 2020

3. How many Stalking Protection Orders under the Stalking Protection Act 2019 have been granted from 15th March 2019 - current date?

The legislation only went live in January 2020 so there were no orders made between the 15th March 2019 and the 20/01/2020 – our first was March 2020 so please see above figures

4. In what areas of the United Kingdom have Stalking Protection Orders been granted from 15th March 2019 - current date, and how many have been granted in such areas?

Please note as confirmed in your clarification email of 26/07/2021 we only providing answers for West Midlands Police

5. If any Stalking Protection Orders have been granted from 15th March 2019 - current date, how many of those perpetrators have been convicted and imprisoned/fined or both?

We do not hold prosecution data, therefore we are unable to answer this question
