9) Number of arrests made within one mile radius of Wolverhampton Wanderers Football Club's stadium during opening fixture of the 2020/21 season due to football related incidents (v Tottenham Hotspur, 22/08/2021)

0

**Please be advised that with regard to the cost of policing football matches, we only collate the overtime that has been spent. This will not include any duty time worked on a football match because this would constitute Police Officers carrying out their normal daily duties and therefore not separately recorded/captured.*
