

1) The total number of car thefts recorded by your force in the years 2017, 2018, 2019, 2020 and 2021

NB Due to a major change in West Midlands Police recording systems, the below data has been extracted from 2 different databases which we have put into separate tables. Our new database (covering the period 08/04/2021 – 19/10/2021) does not currently have the facility to filter results for 'motor car' therefore we are only able to provide total figures for all vehicle thefts.

Where the Sub Category Description = Motor Car (for the period 01/01/2017 – 07/04/2021):
