

Please may this information cover 2019-2021 and be shown by month (Jan-Dec).

Could I also receive this data divided into rural vs urban areas.

Additionally,

- Which road in the West Midlands has the highest number of drink driving arrests in each year?

We would need to conduct a manual search of all custody records in order to locate and retrieve the name of the road with the highest drink driving arrests, this search would exceed the FOI time limit.

Please see below drink driving arrests for the requested time period:

- What is the highest blood alcohol level of a drink driver recorded by the police in each of those years?

As above, a manual search would be required in order to locate and retrieve this information, this search would exceed the FOI time limit.

With this could you confirm what the legal limit of blood alcohol is?

Legal limit of blood is 80mg of alcohol in 100ml of blood.
