

**1) Identify the forensic science providers (FSPs for example LGC Forensics, Eurofins Forensic Services, Cellmark Forensic Services, Key Forensic Services etc) contracted by your police force to provide Forensic Toxicology Services during this period 2012-2018**

**2) Identify any subcontractors used by these FSPs for Forensic Toxicology (eg. Roar Forensics, Alere, Trimega, Randox etc.)**

**Please provide the information in the following format**

**Year, Lead FSP, Subcontractor**

1. We used LGC from 2012 to 2017, they subcontracted to Randox and Chemtox.

2. We used Eurofins in 2018 who subcontracted to LGC.
