

1) Between 1/4/2016 - 31/3/2019 how many fatal road collisions did your force investigate?

**218 fatal collisions were investigated during the stated time period**

2) Of these, how many collisions involved the deceased and the driver/rider knowing each other?

**In order to locate and retrieve this information we would have to conduct a manual search of each individual record and try and ascertain this information from the circumstances, this search would exceed the FOI time limit**

3) Between 1/4/2016 - 31/3/2019 how many drivers involved in fatal collisions were prosecuted (charged) with murder under the Homicide Act?

**We have recorded a total of 5 within requested time period**
