2. The number of reported rapes broken down into age of victims.

See 524A_22_attachment2.pdf

Please note, 'Victim Age' is calculated from the date of birth input onto our systems and its accuracy is therefore reliant on the correct date being entered. Data has therefore been provided as recorded, but the detail collected to respond specifically to your request is subject to the inaccuracies inherent in any large scale recording system. As a consequence, care should be taken to ensure data collection processes and their inevitable limitations are taken into account when interpreting those data.

3. The outcomes for the reported rapes categorised in years, 2019, 2020, 2021 and 2022 to date.
