Since the introduction of the Police Constable Degree Apprenticeship (PCDA)

Please provide the following information:

1. How many applications have you received for enrolment on the course?

8,678 which includes all applications since Reqs were split. We do not know from our data how many of the 7,841 applications prior to Apr 2020 were PCDA or DHEP as they were merged requisitions.

2. How many from the total number of applications that you have received was an applicant enrolled on the course?

We are interpreting this question to mean how many of the applicants we have enrolled (hired). Until end of March 2022 we hired 926 PCDA recruits.

3. How many of the total number enrolled on the course have dropped out before the course has been completed of their own choice

As of 31st Mar 22, 60 PCDA recruits had left of their own accord.

4. How many of the people enrolled on the course have been asked to leave the course for whatever reason?

There has been 1 PCDA recruit dismissed to 31st Mar 22.

5. What has been the financial cost to the force where a student has dropped out of the course either of their own choosing or being asked to leave the course by the force and/or the university?

There has been no cost to the force.
