

REQUEST

I am aware that West Midlands Police currently utilises the “X2” Conducted Energy Device supplied by Axon and has recently begun the purchase of the “Taser 7” Conducted Energy Device also supplied by Axon, please could you provide the following:

1.The unit price for the “X2” Conducted Energy Device

This information is exempt by virtue of Section 43 – Commercial Interests.

2.The unit price per cartridge for the “X2” Conducted Energy Device

This information is exempt by virtue of Section 43 – Commercial Interests

3.The unit price for the “Taser 7” Conducted Energy Device

This information is exempt by virtue of Section 43 – Commercial Interests

4. The unit price per cartridge for the “Taser 7” Conducted Energy Device

This information is exempt by virtue of Section 43 – Commercial Interests

5.The cost of the training course to authorise officers to carry the “X2” –

£3852.16 per course (£321 per officer) (each course allows for 12 officers to be trained and this is an approximate cost only)

6.The cost of the training course to authorise officers to carry “Taser 7”

- £700 per officer. (this includes cartridge costs, venues and targets and again is an approximate cost only.)
