

REQUEST

I hope you are well. I'd like to make a request under the Freedom of Information Act. Please could you tell me:

1. How many incidents of stalking have been recorded in your force area in the last three reporting years for which figures are available? If you do not have three years of data, or if providing three years would take too long to collate, please provide the latest 12-month period for which figures are available. I don't mind whether it's financial years, calendar years, or other 12-month periods.

Incidents can be viewed by month here up to December 2021.
