

I would like to know how many speeding fines have been given out on motorways in the last 12 months (between July 2021- July 2022).

I would like the information to be separated by motorway.

**Please see table below for data relating to cameras on the motorway.**

M42	4421
M6	20430

**Please also see below data provided by our Central Ticket Office regarding officer issued tickets. Please note these are the only locations recorded, therefore where there is no motorway mentioned we are unable to provide this information.**
