

1. Please provide full details of the rules governing the use of the new technology.

Live stream can be deployed for;

1. Live traffic pursuits to support tactical ground awareness to the commander in the control room
2. Public order or events where approved by the Gold and Silver commanders
3. Critical incidents / disorders or officer / staff safety issues
4. Tactical advice or specialist / supervisory support where necessary

2. Please provide full details relating to the length of time the videos obtained will be stored.

All videos are stored dependent on their evidential value in accordance with Data Protection and MOPI guidelines. Those without evidence are deleted after 30 days.

3. Please provide all information held on the cost of the new technology.

This information is exempt by virtue of Section 43(2) – Commercial interests. Please see covering letter and PIT for further details.
