I would like to know the number of days taken off by police officers reporting sickness absence with a reason of anxiety, stress, depression or other psychiatric illness.

I would like this information for each of the last three calendar years as follows: 2020, 2021 and 2022

TABLE - Number of working days officers absent for Psychological Disorders:

Psychological Disorder Type	Year		
	2020	2021	2022*
Anxiety	10,262	13,074	10,359
Depression	3,342	4,309	4,072
Other psychological disorders	922	607	420
Other stress	8,773	11,975	10,902
Post-traumatic stress	1,824	2,672	2,073
Grand Total	25,123	32,637	27,826

* 2022 = partial year to 31 October 2022
