

1) Number of warnings issued under section 59 of the Police Reform Act 2002 for the antisocial use of a vehicle.

2) Of those stopped, how many were a) uninsured; b) had no license; c) had previous offences.

3) Number of vehicles seized under section 59 of the Police Reform Act 2002.

I would like all of this data for 2019/20, 2020/21 and 2021/2022 financial years please.

	2019/20	2020/21	2021/22
<b>Question 1 - Section 59's issued:</b>	102	518	549
<b>Question 2a and b (combined - not able to distinguish between) Uninsured vehicles/unlicensed drivers issued a S59:</b>	3	7	15
<b>Question 3 - Vehicles seized under S59:</b>	4	57	63

**In relation to question 2c – we don't hold records of previous traffic offences. We can check previous criminal offences but this would require a review of the Police National Computer of all nominals linked to the S59's issued, this would involve checking 1,169 records, which at 2 minutes per record would equate to 38 hours.**
