

Request Reference: 211A/23**2. How many fixed speed cameras are installed in your force area?**

We don't have any Gatso cameras, but we do have average cameras. There are 69 Sites across the West Midlands. We also have seven HADECS (Highways Agency Digital Enforcement Camera System) variable speed cameras on the M42 and M6 motorways, and two average camera routes on the M6 Roadworks.

3. How many fixed speed cameras in your force area are:**a) permanently turned on?**

The 69 average cameras on the roads and the HADECS variable cameras are permanently on.

b) permanently turned off?

All Gatso cameras have been off since 2013.

c) temporarily in use?

The two average cameras on the M6 Roadworks are temporary.
