**Unfortunately, we do not hold information in relation to questions 2 – 10 in a retrievable format. Officers are required to submit on a change of circumstance form and there is no way of identifying which change of circumstance submissions relate to driving offences and penalty points. To obtain this information it would involve a manual trawl through each individual case. There are in excess of 2000 records, taking approximately 10 minutes per case. This would equate to in excess of 300 hours and would therefore exceed the 18 hour time limit.**
