The IP has stated [REDACTED] believes [REDACTED] has been spiked because [REDACTED] has never felt like this before. IP consented to a urine sample which came back as negative to all other than [REDACTED] in which the IP admitted to having [REDACTED] earlier on in the day.

15/02/2023 [REDACTED] - OP ARGON - Victim states on [REDACTED] went out with friends to the [REDACTED]. During which [REDACTED] believes her drink was spiked as [REDACTED] began to feel unwell during the night, [REDACTED]. Victim states this is unusual for [REDACTED] had only [REDACTED]. Victim is not aware of when this occurred but believes that it happened at one of the bars. Victim was taken home by [REDACTED] friend.

BMT IP has been out drinking with [REDACTED] friends. [REDACTED] attended [REDACTED]. Whilst there they met a group of [REDACTED] who bought the IP and friends drinks. IP was [REDACTED]. [REDACTED] offered [REDACTED] drink as [REDACTED] had finished [REDACTED]. Shortly after this, the IP [REDACTED] and cannot remember the rest of the night. The IP's friends had to take [REDACTED] home, and [REDACTED] has subsequently been very unwell the next day, IP has attended [REDACTED]. IP believes the [REDACTED] spiked her drink.

15/02/2023 OP ARGON

16/02/2023 Offender has attended IP's [REDACTED] and they have had [REDACTED]. Offender has then handed IP [REDACTED] however felt unwell afterwards, describing it as the effects of [REDACTED]. IP stated [REDACTED] was spiked by the offender.

19/02/2023 BMT ip has gone out with [REDACTED] friends to [REDACTED] in the city centre. where [REDACTED] has believed to be spiked by an unknown substance. ip states that after approx [REDACTED] at that point onwards. Friends stated that the ip was [REDACTED] behaviour was [REDACTED]. the next day ip stated that [REDACTED]. ip is adamant that [REDACTED] was spiked.

****Op Argon****

[REDACTED] / Unknown (S)

In the early hours of the [REDACTED] the victim was out at [REDACTED] friend(s).

The victim began speaking with a [REDACTED] who [REDACTED] did not know, this [REDACTED] persisted on taking a [REDACTED]. The [REDACTED] has [REDACTED]. The [REDACTED] and different to how it tasted before [REDACTED] gave the [REDACTED] the drink.

The victim has then stated [REDACTED] felt a little unwell/different so went home, the victim is unsure if [REDACTED] has been spiked but wanted to raise concerns after tasting something [REDACTED] and feeling different after being given [REDACTED].

21/02/2023 The victim has then contacted Police [REDACTED] to report this.

****op Argon**** BMT ip has gone out to [REDACTED] and believes that [REDACTED] has been spiked by an unknown substance. ip states that [REDACTED] had a [REDACTED] and cant remember what happened after approx [REDACTED].

24/02/2023 [REDACTED] feeling and stated that something didnt feel right.

Report stating just had a phone call from my [REDACTED] saying [REDACTED] had been Spiked and doesn't know where [REDACTED] is - Further call stating that [REDACTED] is in a taxi on the way home . - [REDACTED] confirmed [REDACTED] was home and no injury.

Previous attempts to the address - negative.

I have spoken with caller on the Phone [REDACTED]
[REDACTED]

In terms of the Allegation of "spiked" - [REDACTED]
[REDACTED]

[REDACTED] has confirmed that [REDACTED] was out drinking with [REDACTED] states that she may have been spiked.. Also stated that [REDACTED] drank to much and [REDACTED]

I have discussed the potential of getting a Spiking kit and meet [REDACTED] at the address also the potential of identifying suspects through CCTV - IP declined and due to no injury/ assault then not supporting a prosecution and [REDACTED]
.

[REDACTED]
Advised about leaving drinks
also when drinking with friends advisable to have one person sober.

Although there is a strong possibility that this could be too much Alcohol there is no evidence to suggest that [REDACTED] has not been spiked .

26/02/2023 Advised that this will be recorded and filed .

Caller happy with Action from Police.

****OP ARGON****THE VICTIM HAS BEEN OUT WITH FRIENDS AT THE [REDACTED] AND HAS THEN [REDACTED] READY TO LEAVE. THE VICTIM DOES NOT REMEMBER ANYTHING THAT HAD HAPPENED BETWEEN [REDACTED] HOURS BUT KNOWS [REDACTED] WAS [REDACTED] WITHIN THAT TIME PERIOD. THE VICTIM WAS [REDACTED] AND BELIEVED THAT [REDACTED] HAD BEEN SPIKED AND THAT [REDACTED] PHONE HAD BEEN STOLEN.

27/02/2023

BMT IP believes that [REDACTED] alcoholic drink was spiked with a unknown substance to which [REDACTED] cannot remember [REDACTED] night. [REDACTED] friends found [REDACTED] toilet. No sign of [REDACTED] activity or [REDACTED]

02/03/2023

OP ARGON - IP states out with other friends that stated also spiked. Went from one extreme to the next, was not drinking that much, [REDACTED] but don't remember [REDACTED]

[REDACTED] until the next day. IP thought [REDACTED] had been a victim of spiking at nightclub. On time of recording IP heard [REDACTED]

02/03/2023

[REDACTED] Matter ethically recorded.

[REDACTED] refers. The victim has been out socialising with a friend at the offence location where [REDACTED] believes [REDACTED] drink has been spiked because [REDACTED] cannot recall [REDACTED] Victim has [REDACTED]

05/03/2023

BMT IP has been out in [REDACTED] drinking with friends when [REDACTED] has started feeling [REDACTED] This is uncharacteristic for [REDACTED] IP recalls one drink tasting unusual. IP then does not recall any further details from the night except certain point [REDACTED]

[REDACTED] IP believes drink was spiked however unsure between whether in [REDACTED] or [REDACTED] Drink that tasted unusual was in [REDACTED] however felt full effect in [REDACTED]

05/03/2023

[REDACTED] IP believes was in [REDACTED]
