2. How many people were Released Under Investigation (RIU) between February 2 2023 and March 31 2023.

353

3. For each of the above, please can you break them down into offence.

See attached spreadsheets. Please note, a person can be arrested for more than one offence type at a time. The attached tables reflect this and therefore is the reason that some nominal numbers* appear more than once.

** Each time a person is brought into custody, a unique custody record number (CRN) is created. The 'Nominal' numbers in the attached table have been created for the purpose of this FOI request and replace the CRNs. It is important to note however that if a person is brought into custody on multiple occasions, they will receive a new CRN each time. It is therefore possible that different nominal numbers in the attached tables may relate to the same individual.*
