

REQUEST

I am requesting details of all used police vehicles sold by West Midlands Police over the past five years. The details I would like are as follows:

1. Vehicle registration number - This information is exempt by virtue of Section 40 – Personal Data

2. Vehicle model – Please see table below.

3. The date of sale - Please see table below.

4. The mileage of the vehicle at the time of sale - Please see table below.

5. The date of the vehicle's last MOT prior to sale

We do not record this, this is because WMP Fleet have an exemption from Department for Transport due to our service regime. Therefore, under FOI there is no recorded information held.

6. The price at which the vehicle was sold - Please see table below.

7. Whether the sale was made privately, through an auction, or trade

All WMP vehicles are sold via Auction Houses.
