

I would like to know, since the start of 2022 up to now:

The total number of drivers issued with speeding PCNs for each speed - for example, a table laid out with the total PCNs for 31mph, 32mph, 33mph etc up to the highest speed recorded.

If possible, please also set out how many of these were average speed cameras, fixed speed cameras, mobile police units or other means.

Please be advised that individual speeds are exempt by virtue of Section 30 and Section 38. Please see covering letter for further details on the application of these exemptions.

However, we have instead provided speeding data broken down by speed groups below.

Camera Enforcement Unit Offences:

SPEED	VARIABLE SPEED	MOBILE	AVERAGE	TOTAL
30-39	3	17,326	13,244	30,573
40-49	4,139	12,616	15,176	31,931
50-59	7,894	4,969	11,028	23,891
60-69	6,248	1,701	4,953	12,902
70-79	7,721	277	1,165	9,163
80-89	466	44	316	826
90-99	55	10	68	133
100-109	19	2	8	29
110-119	13	0	4	17
120-129	6	0	0	6

Non-Camera Enforcement Unit Offences:

Speed	Driver Not Seen Officer Witnessed	Driver Seen Officer Witnessed	Total
20-29	41	4	45
30-39	215	123	338
40-49	586	122	708
50-59	709	124	833
60-69	460	82	542
70-79	169	49	218
80-89	51	30	81
90-99	32	61	93
100-109	6	22	28
110-119	1	8	9
120-129	1	4	5
130-139	1	1	2
