

Request Reference: 587A/23

1. How many officers have faced investigations for sexual misconduct, of any form over the past two years?

2021 - 9
2022 - 23
2023 - 8

2. Of those officers, how many were dismissed without notice, how many had their cases dismissed, how many had finding of misconduct recorded but no further action taken, and how many were given a written, or final warning?

Dismissed Without Notice - 0

Cases Dismissed - 5 (These five are either No case to answer/No further action)

Findings of misconduct but no further action - 0

Written Warning - 0

Final Written Warning - 0

3. Of those officers who have faced investigations, how many were against female officers, and how many were against male officers?

2021 - 0 Female, 9 Male
2022 - 4 Female, 18 Male, 1 Not recorded
2023 - 1 Female, 7 Male,

4. Of those officers who have faced investigations, how many had their names anonymised, during proceedings?

0

Note. The officers outlined in question 1, applied here whose cases have been finalised are not cases that would go to proceedings, cases that are currently live which are likely to go to proceedings have yet to reach the proceedings stage, so the current answer is 0.

5. Of those officers who have faced investigations, how many had the details of their cases kept private and not held in public?

0

Note - The officers outlined in question 1, applied here whose cases have been finalised are not cases that would go to proceedings, cases that are currently live which are likely to go to proceedings have yet to reach the proceedings stage, so the current answer is 0.

6. Of those officers who are currently facing investigations, how many are currently working as normal, how many have been placed on restricted duties, how many have been suspended and how many have left the force?

Of those currently facing investigations (live cases):

Normal Duties - 5

Restricted/Alternative Duties - 4

Suspended - 2

Left the Force - 5
