

I am formally requesting data under the Freedom of Information Act (FOIA) concerning Breed Specific Legislation (BSL) and the Dangerous Dogs Act 1991 within your jurisdiction for the past 24 months. Please provide:

I respectfully seek access to the following specific dataset:

1. The total number of dog-related incidents attended by law enforcement. - **2441**
2. The precise count of documented cases involving human bites inflicted by dogs.
3. The number of tragic human fatalities resulting from dog-related incidents.
4. The count of canines lawfully discharged by officers during these incidents.
5. The precise tally of dog-on-dog incidents reported and meticulously addressed.
6. The number of dogs officially identified as “banned breed type” that have been involved in all dog-related incidents.
7. The comprehensive count of dogs seized under BSL, where no specific incident transpired.
8. The number of dogs that, following their lawful seizure, underwent euthanasia.

332 dogs destroyed in that period, for all manner of reasons.

9. The current numerical representation of dogs currently housed within police-approved kennels.

As of 6/9/23 – 46 dogs were in West Midlands Police Care.

10. The count of seized dogs that died while under the custodial care of law enforcement agencies, awaiting the commencement of legal proceedings. - **4**
