[REDACTED] - Officers have located [REDACTED] outside of [REDACTED] being looked after by the occupants. The occupants stated that they located [REDACTED] on the [REDACTED] on the drive. [REDACTED] was very intoxicated and confused as to where [REDACTED] was therefore they called the police.

Officers have spoken to [REDACTED] separately who gave the following account of what [REDACTED] could remember from tonight.

[REDACTED] went out on a Hen do with friends from work, getting the train into town then starting at [REDACTED] They have left there and then attended [REDACTED] a short distance away and this is all [REDACTED] can recall from the night. [REDACTED] stated [REDACTED] was very drunk and [REDACTED] long time and this could be the reason for getting into such a state.

Officers have spoken to [REDACTED] who was at [REDACTED] home address and explained [REDACTED] was safe & Well and that officers would drop [REDACTED] back home. Officers have also asked [REDACTED] if [REDACTED] is hurt anywhere or [REDACTED] but [REDACTED] stated no and that [REDACTED] would check later/ in the morning once sober enough. Doesn't recall speaking with any strangers, being given/bought a drink or leaving a drink unattended. Hasn't lost anything and is not missing anything.

[REDACTED] taken back to [REDACTED] home address where [REDACTED] was present to look after [REDACTED] Given advice and the log number and asked to advise use if anything more comes to light in the morning.
