3.Does the force currently operate any canteens or other provision for hot food at any of its sites?

Yes, please see attached.

4.Have any canteens or other provision for hot food been closed or otherwise discontinued since 2010? When did this take place?

See table within question 8

5.How many vending machines for food and drink does the force operate, and at which sites?

Please be advised that the information that you have requested is not available in a readily retrievable format, we have provided information that is centrally recorded, however to provide an accurate overall picture of facilities for all locations, would require sites visits, to complete this would exceed the cost threshold under FOI.

See table within question 8

6.How many dedicated rest/ breaks spaces with seating areas are there within the police estate, and at which sites?

Please be advised that the information that you have requested is not available in a readily retrievable format, we have provided information that is centrally recorded, however to provide an accurate overall picture of facilities for all locations, would require sites visits, to complete this would exceed the cost threshold under FOI.

See table within question 8

7.How many kitchenette areas/tea points where employees can make hot drinks and microwave food are there within the police estate, and at which sites?

Please be advised that the information that you have requested is not available in a readily retrievable format, we have provided information that is centrally recorded, however to provide an accurate overall picture of facilities for all locations, would require sites visits, to complete this would exceed the cost threshold under FOI.

8.Are there any stations or bases without any of the following: provision for hot food, vending machines, or kitchenette areas?

Please be advised that the information that you have requested is not available in a readily retrievable format, we have provided information that is centrally recorded, however to provide an accurate overall picture of facilities for all locations, would require sites visits, to complete this would exceed the cost threshold under FOI.
