

1) Please state how many of the following crimes were alleged to have occurred and recorded by your force as happening inside Burger King restaurants in the financial year 2022/23.

Assault offences to include all assault offences:

5D - Assault with intent to cause serious harm

8N - Assault with injury

8P - Racially or religiously aggravated assault with injury

105A - Assault without injury

105B - Racially or religiously aggravated assault without injury

Please note I am only interested in assaults which occurred inside the restaurants' premises.

To clarify, an assault that was recorded as having happened 'down the road from' a Burger King would not be of interest, although one that happened inside the restaurant or at least in the doorway/entrance would be.
