2) I would like the official closure dates for all of these facilities.

Please see answer to question 1

3) I would like the dates on which the move-out process was officially deemed completed for these facilities.

All of the properties would have been subject to a final OSU sweep in the final few weeks before being officially sold, or vacated. This is because although some properties can be empty for a while, the buildings may still be suitable for other uses (e.g. storage), hence the sweeps occur towards the end of the sales process.

4) If available, I would like the date that the final document deemed 'sensitive' was removed.

Please see answer to question 3

5) I would also like to know the number of facilities still under police ownership, the number sold and the number destroyed.

Please see answer to question 1 for properties sold or vacated. In addition, 82 properties remain owned by / used by West Midlands Police.
