

Please provide the following information for the time period 14.03.2023 – 14.09.2023:  
The total number of non-crime hate incidents recorded by the Constabulary, broken down by individual “hate” characteristics (e.g. Race, Disability, Gender Reassignment etc.) If it is not possible to provide the information broken down by individual characteristics, please just provide the total number of incidents recorded. If individual incidents may be flagged with more than one characteristic please indicate this in your response.

**There were 137 Hate Incident – Non-Crimes recorded between 14/03/2023 and 14/09/2023.**

**Individual offences can have more than one hate strand, so the sum of Crimes per Hate Strand does not add up to 137. In both of the cases where the Hate Strand was “Not Recorded”, we have checked and no other strand has been recorded for them. They remain unknown unfortunately.**
