

The number of dog attacks on a person each month within the last six months, and what the breed of dog was

The number of fatal dog attacks on a person each month within the last six months, and what the breed of dog was

The number of dog attacks on another dog each month within the last six months, and what breed of dog the attacker was

The number of fatal dog attacks on another dog each month within the last six months, and what breed of dog the attacker was

In the last 6 months there were 789 offences of Attempted - Owner or person in charge allowing dog to be dangerously out of control in any place in England or Wales (whether or not a public place) injuring any person or assistance dog or Owner or person in charge allowing dog to be dangerously out of control in any place in England or Wales (whether or not a public place) injuring any person or assistance dog

Unfortunately, injury details are not available within our recording system, plus we are unable to differentiate between attacks on dogs or people.

Both offences are code 008/21 and the offence title gives us no information about whether a dog or person was attacked.

Breeds of Dog Involved

Note: One offence has two records
