

Am I able to get a digital copy which records the number of vehicles stolen from Birmingham International station long term car park between Jan 2023 and Jan 2024 please?

I am particular interested in how many BMW's were stolen.

It was not possible to search specifically for Birmingham International Station Long Term Car Park as this is not an address. Therefore, we conducted a keyword search for "Birmingham International Station" within the address field.

Parameters:

1st January 2023 - 31st December 2023

In order to identify BMW vehicles specifically, we performed a text contains search on the vehicle make field for "BMW".

We found a total of 5 records, 4 of which related to BMW's
