

Request Reference: 587A/24

**Q. I would like to know where you have recently, in the past 5 days (from 30th March-5th April) have set up speed enforcement checks in the Birmingham/Sandwell area. I would also like to know what equipment you use? i.e. Do you use a tripod and speed camera or is it mobile vans only?**

A. See following table:

Date	Location	Device
02/04/2024	Bristol Road near Pebble Mill	Trucam II - Can be handheld or on a tripod
02/04/2024	Bristol Road South towards Longbridge Island	Trucam II - Can be handheld or on a tripod
02/04/2024	Fox Hollies Road	LTI 20-20 Ultralyte 1000 - mobile van
02/04/2024	Small Heath Highway	LTI 20-20 Ultralyte 1000 - mobile van
03/04/2024	A34 Stratford Road	LTI 20-20 Ultralyte 1000 - mobile van
03/04/2024	Black Country New Road	LTI 20-20 Ultralyte 1000 - mobile van
03/04/2024	Cranford Street	LTI 20-20 Ultralyte 1000 - mobile van
03/04/2024	Eachelhurst Road	LTI 20-20 Ultralyte 1000 - mobile van
03/04/2024	Tynedale Road	LTI 20-20 Ultralyte 1000 - mobile van
04/04/2024	Black Country New Road	LTI 20-20 Ultralyte 1000 - mobile van

04/04/2024	Grove Lane, Smethwick	Trucam II - Can be handheld or on a tripod
04/04/2024	Queslett Road	LTI 20-20 Ultralyte 1000 - mobile van
04/04/2024	Stechford Lane	LTI 20-20 Ultralyte 1000 - mobile van
05/04/2024	Lordswood Road	LTI 20-20 Ultralyte 1000 - mobile van

*Mobile vans - Mobile cameras are deployed from the back of an enforcement van, allowing them to be moved around the West Midlands as needed. The mobile camera vans are clearly marked to indicate that they are conducting speed enforcement and operators will place additional temporary signing to warn of the camera and, if necessary, remind drivers of the speed limit, if no fixed signage is present. This signage is not a legal requirement and would not negate any offence should it not be present.*
