

Any available data on Streamlined Forensic Report (SFR) written between 2013 to 2023 OR any year range available and can be produced within the times allowed by FOI:
Could you please provide information in relation to SFR1 (MG22B)'s produced for fingerprint identifications?

CLARIFICATION

I would be grateful if you could provide the number of forms.

Between the dates 09/04/2013 and 09/04/2024, the Fingerprint Bureau have produced 15,296 SFR1 (MG22B)'s for fingerprint identifications.

There are a few caveats when providing this information, please see below:

This figure reflects the number of SFR1 (MG22B)'s produced on cases only. These figures also contain SFR1 (MG22B)'s produced for cross border cases not just West Midlands cases.
